Subject: Bona-fide Branch Office Verification – Jacksonville, FL

Dear Mr. Johnson:

This letter is in response to your request for a bona-fide branch office verification (Jacksonville, FL).

The SBA Jacksonville District Office has determined that you do have a bona-fide place of business at the following address:

76 S. Laura Street  
Suite 2200  
Jacksonville, Florida 32202

This determination was based upon the information that you provided to SBA Georgia District Office, and the subsequent field visit conducted by the Jacksonville District Office.

This letter is valid as long as there are no material changes to the facts relied upon by SBA in making its determination. You are required to notify the SBA Georgia District Office immediately of any changes that could affect your bona-fide place of business status.

You are advised that although SBA has established that you have a bona-fide place of business within the Jacksonville District, the Georgia District Office remains your servicing district office.

Please let us know if you have any questions or need additional assistance.

Sincerely,

Carolyn Griffin  
Assistant District Director  
for 8(a) Business Development
